In May 2018 a new set of regulations, known as GPPR, comes into force across Europe, GDPR stands for the "General Data Protection Regulation", and It means that we, and all business, need to ensure that we are sending you only relevant offers and promotions by post, email and phone, and also to ensure that contact information we are holding is up to date and correct.

D.A.D would like to contact you with news, offers and promotions we feel may be of interest to you. We need your consent to do this.

If you would like to receive these, please indicate your preferred methods of contact below. Only we will contact you. Your contact information will be held securely and will never be sold, shared or given to any other businesses.

Details of our privacy policy can be found here: www.dad-online.co.uk/information/privacy
